Subject: Taser Download

Reference: Tactical Response Report RD [REDACTED]

The undersigned reviewed a tactical response report for discharge of a taser reported under the above RD. The undersigned attempted to download the taser in the 009<sup>th</sup> District with negative results. The undersigned received an abort message and ticket number 6498583 was attained. The undersigned relocated to the 002<sup>nd</sup> District and received the same error message when a download was attempted. The undersigned contacted OPS command and spoke with Sgt. Quinn, who recommended contacting the Training Division Range. The Training Division Range taser download system is only available for use on the second watch. The undersigned will relocate to the Training Division on 08 March and attain the download.
